ANNUAL REPORT

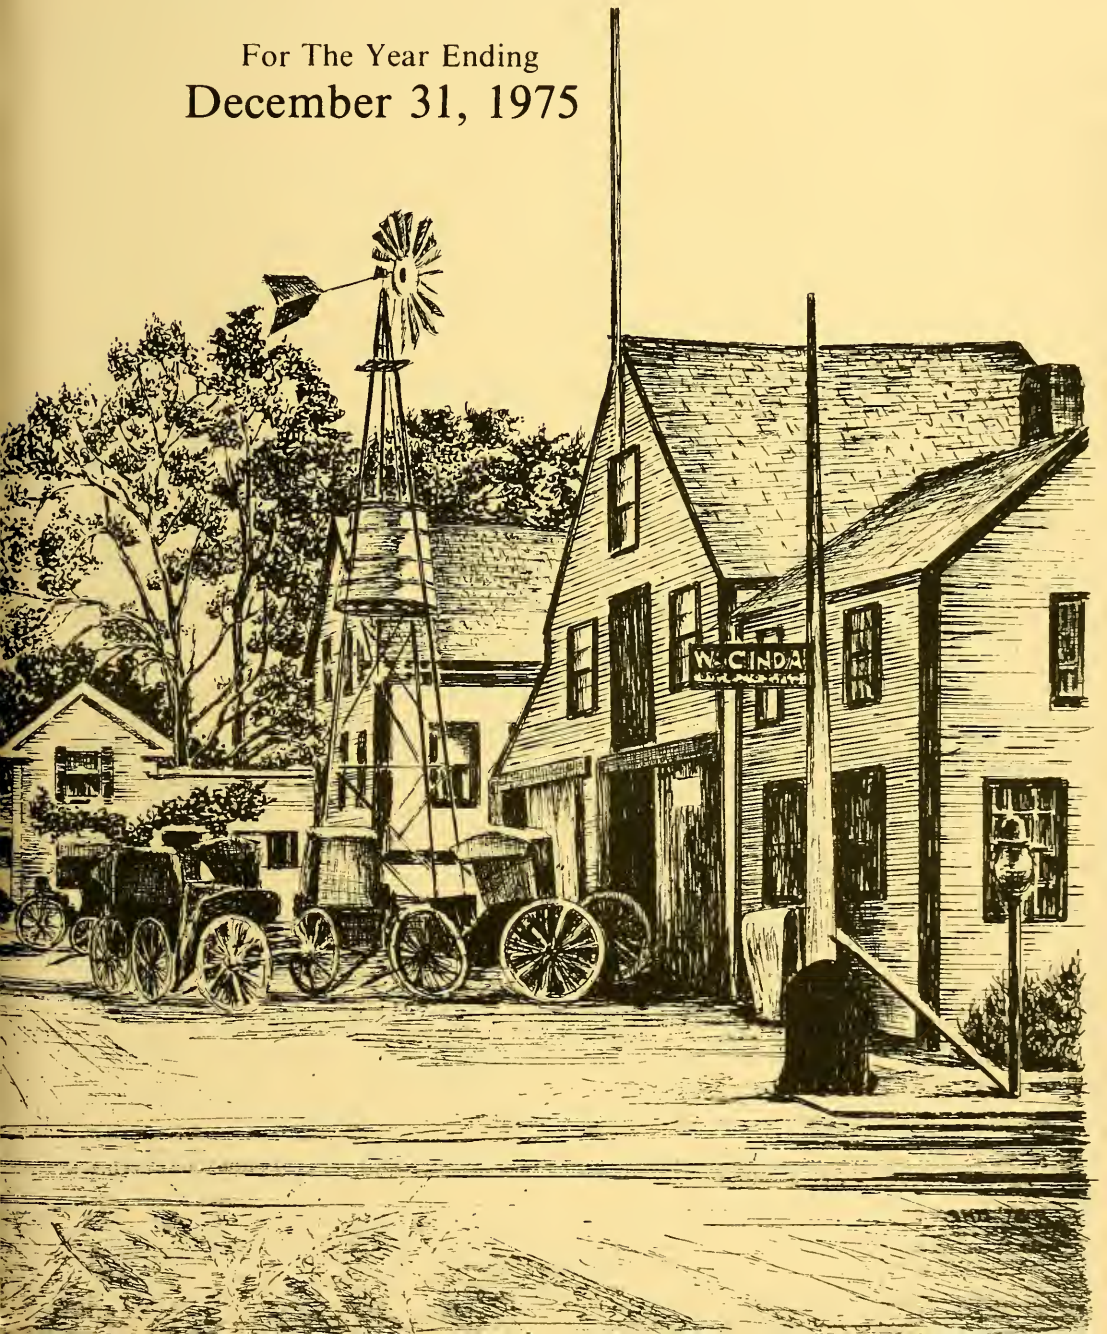
OF THE TOWN OF

EAST KINGSTON

INCORPORATED - NOVEMBER 17, 1738

For The Year Ending

December 31, 1975



The sketch on the cover shows East Kingston looking east from the railroad crossing as it was in 1906. The livery stable on the immediate right was owned and operated by William D. Ingalls. The house just beyond the windmill was the home of Joseph C. Sargent and location of the Post Office. Mr. Sargent was postmaster and served two terms; from April 12, 1861 to October 13, 1876 and from September 15, 1899 to February 25, 1911. He was succeeded by his daughter Mrs. Abbie E. Leonard, who continued operations at the same location for more than twenty years. Alonzo W. Brown lived in the house across from the Post Office on the corner of the Falls or Haverhill Road. His occupation was listed as a part-time undertaker, working only when he had a paying customer. Continuing on the same side of the road, the next building was the Rowell House, a hotel owned and operated by Hiram L. Rowell. He also operated the store and livery stable just beyond the Rowell House. His store was famous for the quality of the cider aged for the summer boarders who enjoyed their vacations in the boarding houses located near the dam in Trickling Falls. Mr. Rowell served as Postmaster three terms during the years 1876, 1883, and 1889. The small building directly across the road from Ingall's stable was occupied by the crossing tenders, who operated the gates manually. John "Tink" Webster was one of the crossing tenders at this time.

SELECTMEN'S REPORT

Town of East Kingston, N.H.

The following is an outline of the significant accomplishments, procedures and problems encountered during the past year.

A contract was awarded to Avis Air Map for the preparation of the Town's Tax Map. Aerial photos were flown in April and work has progressed steadily since. Work is approximately half complete at this writing with completion scheduled for May or June, 1976.

Mr. Lewis B. Tilton resigned from the Union Cemetery Committee and at this time the Board elected to add the Union Cemetery to the charge of the Hillside Cemetery Committee. We wish to again extend our thanks and recognition to Mr. Tilton for his years of dedication in administering and caring for the Union Cemetery.

In June a Recreation Committee was formed and duly charged to research and plan for the Town's needs in this most important area. We urge your support for this most aggressive group and find their eagerness and hard work a credit to the Town.

With the help of Mr. Clarence Maloon, a Representative of the Governor's Council on Aging, East Kingston now offers a Senior Citizen's Card qualifying residents 65 years of age to a discount at area businesses. Presently 73 residents of East Kingston are participating.

In September, the Town was awarded a grant from the Governor's Commission of Crime and Delinquency in the amount of $4,500.00 Federal Funds along with $250.00 Crime Commission monies. To qualify, the Town must appropriate $250.00. Our thanks to Chief Morrill and Deputy Chief Battles in pursuing these funds. The grant is for salaries to provide increased Police Protection in the Town. Presently a grant is pending approval for a $1,200.00 walkie-talkie.

Procedures changed or streamlined this year were as follows: A new voucher-check was designed and printed and a new Selectmen's Receipt to Treasurer. The

Selectmen have set up an office in the Town Hall. This is the first year all records charged to the Board have been available in a Municipal Building. Various pieces of office equipment have been purchased. They include: Fireproof file (Selectmen's office), two used typewriters (for Tax Collector and Selectmen's Clerk), Check Writer (Treasurer), Aperture Card Viewer (Tax Map.)

In this years Warrant, you will note an article relative to purchasing land and buildings from the Brailsford's, to be used as Town Offices. It is the unanimous decision of this Board to urge all of you to give this article serious consideration. The amount of Town business conducted by the Town Clerk presents unique problems. Among them, one must have adequate facilities to maintain an office and store Town Records. It is our opinion that this condition is one that the Town will have to address in the near future. The property concerned is adjoining that of the Town Hall and other Town property and will expand the usefulness and value of the existing facilities.

During the past year, the Selectmen have been approached by towns people with various requests or recommendations. One in particular we wish to present is the collection of taxes twice a year. The Board would be interested in hearing opinions relative to this suggestion.

On behalf of the Historical Committee, we are seeking Historical Documents, Photographs and old Town Records. Anyone wishing to donate or lend materials for the compilation of a Town History should contact the Historical Committee. The Committee has fireproof storage for these documents available at the Library. We urge all of you to support and contribute to this most worthwhile project.

Respectfully submitted:
David C. Andrzejewski, Chairman
Henry F. Lewandowski, Jr.
Daniel T. Bodwell

REPORT OF EAST KINGSTON LIBRARY TRUSTEES

The use of the Library seems to be growing. To meet the state requirements for towns of our population, as of January 1, 1976, we will be open twelve hours a week.

The hours are:

Mondays:	1 - 5
Wednesdays:	2 - 8
Saturdays:	9 - 11

Mrs. Dorothy A. Lee left the Library $1,000.00, for which we are deeply grateful. This money has been used to buy a film projector and screen.

Pictures are shown every two weeks on Saturday mornings for the children. We also have story hours and craft programs.

We were given a new encyclopedia by Charles Kamerik, Mrs. Everett Stone and her brother gave us a new dictionary. Both of these are used extensively.

The Friends of the Library are buying us a film to use in cooperation with other libraries, and by so doing, we share in the use of several films owned by these libraries.

We are very grateful to all the townspeople who have given us gifts of books and magazines.

Mr. William Damsell has again planted and cared for a very pretty flower garden at the entrance to the Library.

FRIENDS OF THE LIBRARY

Another year of increased activity with the Friends of the Library. We are continuing with the cataloguing and it will be some time before this is finished.

"Story Hour" is a success and a pleasure for those of us who assist. Our librarian, Patricia Brinkerhoff, is so helpful and has been showing movies every other Saturday at 10:30 A.M. We joined the Film Co-op at the Lane Memorial Library and with the Bicentennial upon us have for our use a series of twelve films titled "Decades of Decisions," and it is our hope to present them through the year. The films depict the moral issues during the American Revolution and they are educational and varied in content.

A first for us was our entry in the Christmas Parade on December 18. Through the efforts of Messrs. Paul and Brinkerhoff and their families, we were represented. With more time and planning we hope to continue to participate.

We are grateful to everyone for the help and cooperation we receive for our projects—Annual Flea Market, food sales, decorating, etc., plus the volunteers who assist in the routine work of making a library function. Most of all, we want you to use the library—it's a nice place to visit and browse through old and new books and magazines. We have a new Atlas and it is a joy to peruse.

Thank you Townspeople, and please join the Friends of the Library. Special thanks to our Librarian and the Trustees.

Respectfully submitted,
KAY GALLAGHER

REPORT OF EAST KINGSTON POLICE DEPARTMENT

I would like to give my thanks to the residents of East Kingston for the help they gave our police department in alerting us of the intruders of neighboring properties. We have cut down on our housebreaks. I think our slogan for 1975 "Watch your neighbor's home and he will watch yours" will be a good one for the coming year.

I would also like to inform you that we have a grant coming from the crime commission to increase patroling in our town. We have, in the past year, increased our patroling. There has been a lot of time and mileage donated by the police department. I believe the more patroling the department does, the less crime we will have.

Respectfully submitted,
EDWARD J. MORRILL

TOWN WARRANT

State of New Hampshire

1976

THE STATE OF NEW HAMPSHIRE

The polls will be open from 10:00 a.m. to 7:00 p.m.

To the inhabitants of the Town of East Kingston in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The East Kingston Town Hall in said East Kingston on Tuesday, the second day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the Town will vote to adopt the Changes and/or Amendments to the Zoning Ordinance as proposed by the Planning Board.

The Changes and/or Amendments are as follows:

Article III

To control the growth of the Town of East Kingston, New Hampshire in a manner not to exceed the capacity for providing the expanded services to support such growth, the following:

C. Mobilehome permits will be issued from the above allocations in an apportionment not to exceed the current ratio of mobilehomes to residences as of the date this article is approved and is limited to one permit per property owner or developer.

E. The calendar year for permits will be April 1 through March 31.

Article VIII

A. Any person before commencing work under any of the following conditions, must first obtain a permit from the Building Inspector which is not transferable and such permit shall be void unless the work is started within three months of the date

of issuance. The outside of the structure must be completed within twelve months of issuance of permit.

Article VIIIA

#5. Any person reconstructing or relocating a Sanitary System, needs a permit at a cost of five dollars which will be obtained from the Selectmen.

Article X

D. Rebuilt after damage exceeding 75 percent of its gross physical valuation excluding land and foundation as determined by the local assessors, except in accordance with this ordinance.

3. To see if the Town will vote to raise and appropriate the sum of $70,413.20 less estimated revenues to defray Town charges for the ensuing year.

4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

5. To see if the Town will vote to raise and appropriate the sum of $203.00 against the State appropriation of $1,353.30 for Class V Road Assistance.

6. To see if the Town will vote to raise and appropriate the sum of $880.00 for the Exeter Visiting Nurse Association.

7. To see if the Town will vote to raise and appropriate the sum of $500.00 for the Seacoast Regional Counseling Center.

8. To see if the Town will vote to raise and appropriate the sum of $100.00 to defray the expenses of the Recreation Committee.

9. To see if the Town will vote to authorize the Tax Collector with the approval of the Selectmen, to appoint a Deputy Tax Collector, in accordance with the provisions of R.S.A. 41:38.

10. To see if the Town will vote to raise and appropriate the sum of One Thousand, Four Hundred ($1,-

400.00) Dollars for the Town's participation in the expenses of the Exeter Area Youth Group Home.

11. To see if the Town will vote to raise and appropriate the sum of $500.00 for the purchase of Town Office Equipment.

12. To see if the Town will vote to spend interest of $453.43 earned on the Revenue Sharing Account: said funds to be allocated for the following project at the discretion of the Selectmen.

TAX MAP - $453.43

13. To see if the Town will vote to transfer the sum of Twelve Thousand Dollars ($12,000.00) from the Capital Reserve Fund established for the purpose of the acquisition of a fire truck and related equipment and to authorize the purchase of a used Mack Truck Pumper and related equipment with said sum.

14. To see if the Town will vote to raise and appropriate the sum of $2500.00 to have the pump that is on the front of the 1960 G.M.C. rebuilt, and have the plumbing replaced.

15. To see if the Town will vote to raise and appropriate the sum of $500.00 for the installation of a dry hydrant.

16. To see if the Town will vote to raise and appropriate the sum of $3800.00 to pay the Firemen for Fire Calls and training and the unused portion to be put in the Capital Reserve Fund.

17. To see if the Town will vote to raise and appropriate the sum of $500.00 to undertake a Mosquito Breeding Site Survey and report the findings to the citizens upon completion.

18. To see if the Town will vote to raise and appropriate the sum of $7000.00 to purchase Land and Buildings from Richard A. and Mary P. Brailsford to be used as Town Offices.

19. To see if the Town will vote to adopt the following resolution concerning participation in the National Flood Insurance Program:

WHEREAS, certain areas of the Town of East Kingston are subject to periodic flooding from streams, rivers, lakes causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Town Meeting to require the recognition and evaluation of flood and/or mudslide hazards in all official actions relating to land use in the flood plain areas having special flood and/or mudslide hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to N.H. RSA Chapter 31, 36, 156, 156A,

NOW THEREFORE, BE IT RESOLVED, that this Town Meeting hereby,

1. Assures the Federal Insurance Administration that it intends to enact and maintain in force for those areas having defined flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vests the Planning Board with the responsibility, authority, and means to:

a) Delineate or assist the Administrator, at his request concerning present uses and occupancy of the flood plain.

b) Provide such information as the Administrator may request concerning present uses and occupancy of the flood plain.

c) Cooperate with Federal, State and local agencies and private firms which undertake to study, survey, map, and identify flood plain or mudslide areas, and cooperate with neighboring communities with respect to management of adjoining flood plain in order to prevent aggravation of existing hazards.

d) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of flood plain management measures.

3. Appoints the Building Inspector to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean see level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor level is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Intends to take such other official action within its powers as may be reasonably necessary to carry out the objectives of the program.

20. To see if the Town will vote to adopt the following Resolution concerning participation in the National Flood Insurance Program:

WHEREAS, the Town of East Kingston has adopted and is enforcing its BUILDING CODE, ZONING ORDINANCE, and SUBDIVISION REGULATIONS, and

WHEREAS, the appropriate sections of said CODE, ORDINANCE and REGULATIONS prohibit any person, firm or corporation from erecting, constructing, enlarging, altering, repairing, improving, moving or demolishing any building or structure without first obtaining a separate building permit for each building or structure from the Building Inspector, and

WHEREAS, the Building Inspector must examine all plans and specifications for the proposed construction when application is made to him for a building permit.

NOW THEREFORE, BE IT ENACTED, by the Town Meeting of the Town of East Kingston as follows:

1. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the flood hazard area to assure that

a) all proposals are consistent with the need to minimize flood damage,

b) all public utilities, such as sewer, gas, electrical and water systems are located, elevated and constructed to minimize or eliminate flood damage, and

c) adequate drainage is provided so as to reduce exposure to flood hazards; and

2. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the flood hazard area to require new or replacement water supply systems and/or sanitary sewage systems to be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters, and require on-site waste disposal systems to be located so as to avoid impairment of them or contamination from them during flooding, pursuant to N.H. RSA 36:21.

21. To see if the Town agrees to participate in the National Flood Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

22. To see if the Town will accept the reports of the Town Officers and Auditors as printed in the Town Report.

23. To transact any business that may legally come before this meeting.

Given under our hands and seal, this Fourteenth (14) day of February, in the year of our lord nineteen hundred and seventy-six (76).

REPORT OF THE EAST KINGSTON POLICE ASSOCIATION

The East Kingston Police Association reports that 1975 has been a good year for us. We were able to design and purchase new uniforms, badges and shoulder patches for all the officers, new court summonses, a .38 calibre pistol, and portable pocket calculator. All of these items were purchased with funds from ticket sales of monthly raffle tickets.

We were also able to organize a Santa Claus Parade and Christmas Party for children in town. This was funded by donations from the Police Association, Fireman's Association, Recreation Committee, Wilrose Farm, Mr. and Mrs. David Kinchla, Mr. and Mrs. Howard Cook, Bishop's Leather Shop, and Poggio's Store. We would also like to thank everyone that assisted in this event in any way, making it a success. We plan to use surplus funds from this year to hold another parade and party in 1976.

Respectfully submitted,
Duputy Chief, William Battles,
Sec. Treas. East Kingston Police Assoc.

DOG OFFICERS REPORT

REPORT TO TOWNS OF THE FOREST FIRE WARDEN & DISTRICT FIRE CHIEF

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forest and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand-tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

THE ANNUAL REPORT OF THE EAST KINGSTON VOLUNTEER FIREMEN'S ASSOCIATION

The year 1975 was a very active one for the Association. We started the year by receiving the six sets of coats, boots, and helmets, and the Scott Air-Pack with extra tank that had been ordered in November at an expense of $1,250.00. This money came from Lobster Festival proceeds from the previous year.

April brought the Annual meeting and the election of officers for the ensuing year. Elected to office were:

President - David Conti
Vice Pres. - Kenneth Wakefield
Secretary - Ronald Metcalf
Treasurer - Stephen Helme

Retiring President Richard A. Smith, Jr., had served for two years and was recognized for a job well done.

With the arrival of summer came the invitations to the parades and musters in the area. In 1975 we attended parades and musters in Dover, Candia, Farmington, Brentwood, Georgetown (Mass.) and Danville. We earned trophies at Farmington for the newest truck (1974 Forestry), at Brentwood for Muster event, and at Danville for the farthest distance traveled.

In June preparations for the Lobster Festival and the Field Day were begun, and the result was that the Lobster Festival held in August was the most successful in recent years and the Field Day surpassed our wildest expectations with over 28 towns from Maine, New Hampshire and Massachusetts taking part.

During the Fall, the Association began looking into FM radios for the Department, as all of the surrounding towns and the Mutual Aid Dispatcher Center had upgraded their radios from the AM Forestry Frequency to FM Frequency. The Association purchased 4 new FM radios at a cost of $2,000.00 and had them installed in three of the fire trucks. The fourth was installed in the Chief's car.

Also this Fall, work committees provided the labor to install a new dry hydrant in Monahan's Pond on Route 107.

Besides all of the above, we still are running Beano every Saturday night and are working to pay off the mortgage on the addition to the Fire Station.

We are working to provide East Kingston with the equipment it needs to provide quality fire protection. We cannot do it alone. We need your support in all activities.

Thank you,

DAVID J. CONTI, Pres.
E.K.V.F.A.

ACTIVITIES OF THE FIRE DEPARTMENT FOR 1975

We had a very successful Lobster Festival this year which is held every year on the second Saturday of August.

We held a Firemen's Field Day the day after the Lobster Festival. We had 28 towns represented in the Fire Truck Parade. In the Field events we had 22 men's teams and four women teams that entered the competition. Everyone had a good time.

We entered seven parades and Field Days in other towns.

On Dec. 18, 1975 the Police Department, Fire Department, and business people in town sponsored a Santa Claus Parade and Christmas Party for the children of the town.

The Fire House is checked every day to check the building and equipment.

In case of an emergency, the Fire Department number is **642-5266.** Please state your name, address, and if possible, the type of emergency.

Thank you
ROBERT BELCHER
Fire Chief

REPORT OF THE FIRE DEPARTMENT FOR 1975

I would like to take a little time to say:

PLEASE, if you have a fire in your home, after you have called the Fire Department *Please* get out, and stay out. Have a place where all the members of the household can meet and be accounted for. And let the firemen take it from there.

Thank you
ROBERT BELCHER
East Kingston Fire Chief

Exeter Area Visiting Nurse Association
Annual Report 1975

The Exeter Area Visiting Nurse Association, Inc. is a Community Health Service providing health care to individuals and families in their place of residence or in ambulatory care settings for purposes of preventing disease and promoting, maintaining or restoring health or minimizing the effects of illness or disabillity.

The nurse gives care and treatments as ordered by each person's physician, assists with the rehabilitation of persons of all ages, handicapped or ill with various conditions or illnesses. The nurse instructs designated persons in giving necessary care between nursing visits, teaches families and individuals good nutrition and understanding of special diets, accident prevention and how to cope with illness; advises new and expectant mothers in the care of themselves and their babies; provides Tuberculosis and psychiatric follow-up and refers, when appropriate, to other agencies.

The Physical Therapist establishes and supervises a program to return each person to his maximum potential, working under a plan established by each patient's own physician.

The Home Health Aide works under the supervision of the Registered Nurse or the Registered Physical Therapist. She provides personal and unskilled care to patients, such as baths and exercises, does light housekeeping and meal preparation.

The Association provides: 1. The service of a Home Health Coordinator to the Exeter Hospital to assist in planning the continuing care of patients in their homes after leaving the hospital. 2. A Well Child clinic twice monthly for physicals to infants and pre-school children of eligible families and immunizations. 3. Sponsors screening programs in cooperation with the N.H. Department of Public Health. 4. Blood Pressure clinics for Senior citizens. 5. Flu Vaccine clinics for Senior citizens.

The Exeter Area Visiting Nurse Association is a Medicare and Medicaid certified agency.

Information may be obtained by calling the Exeter Area Visiting Nurse office Monday through Friday, 8:00 A.M. to 4:00 P.M., telephone 772-2981 or writing to 17 Prospect Avenue, Exeter, N.H. 03833.

REPORT OF THE EAST KINGSTON RECREATION COMMITTEE

The East Kingston, New Hampshire Recreation Committee was established at the March 1975 Town Meeting. The Selectmen appointed a committee that consisted of: Rev. Roger Brown, Virginia Corton, Judith Levis, Harvey Purrington, and George Westwood. Upon the resignation of Rev. Brown, Patricia Wixon was appointed. Current officers are: Patricia Wixon, Chairman; George Westwood, Treasurer; and Virginia Corton, Secretary.

The committee first met with Selectmen to establish perimeters within which they might function. Further meetings have been concerned with establishing the needs of all age levels within the town.

The committee is proud of the fact that by holding a raffle their efforts have been without expense to the town. These efforts include: the mowing of the Foss-Wasson Field throughout the summer of 1975; a tentative arrangement for a 1976 Little League team; the construction of a sign for the entrance to the field; donation to the Christmas party and parade; and winter activities for the community.

The committee hopes to continue establishing the needs of the townspeople and welcomes any suggestions from interested people.

EAST KINGSTON HISTORICAL COMMITTEE
December 31, 1975

The Committee has continued to meet the last Monday of each month. As a result of a February meeting with the Bicentennial Committee we have been supplying historical data for their use in their projected publication.

During the year we have assembled many historical documents like tax lists, selectmen's records, receipts of bills paid, and have housed them at the Library with such materials already there as, A.R. Brown's letters in the Exeter Gazette in 1879 and 1880 on the history of East Kingston. The Selectmen have provided a fireproof filing cabinet, so that now the ancient town records, except for those kept by the Town Clerk, are in one place, safely stored. Some of the rarer and more immediately useful of these materials we have had photo-copied for Bicentennial Committee use as well as ours.

Work on 18th and 19th century deeds and wills continues. We are well on our way to having the information that will allow us to tell the story of the use of power at Trickling Falls for the iron works, the grist mill, and the saw mill. But in general we are being forced to rely for our data upon public sources. The result has been a disproportionate emphasis upon the impersonal. We stand in great need of help, and we appeal for any early records, — letters, diaries, clippings, pictures, maps, — anything that will directly or indirectly illuminate the history of our town.

BICENTENNIAL COMMITTEE REPORT

The East Kingston Bicentennial Committee has been meeting regularly, working on the plans for the 1976 Bicentennial.

The first scheduled event was held on Sunday, December 28th at the East Kingston Community United Methodist Church. This was a non-denominational Christmas service led by the Rev. Kenneth Borchers, pastor of the church. This service was well attended and many of the townspeople dressed in colonial costume. Refreshments were served afterwards at the Town Hall. This program was sponsored by the church couples club.

Houses dating prior to 1800 are being confirmed by the Historical Committee and plaques will be made for such houses.

Material is being compiled for the Town History.

Events and programs are scheduled throughout the year with the help of town organizations, schools, and interested townspeople.

The next scheduled event will be at the annual town meeting.

The committee hopes the whole community will continue to work, learn and enjoy together.

CONSERVATION COMMISSION REPORT FOR 1975

During 1975 the East Kingston Conservation Commission handled one request for a dredge and fill permit. The permit was denied due to lack of complete plans.

Many ideas were discussed throughout the year in relation to better management of our wetland areas. Action is being delayed until the tax map is completed.

The Conservation Commission can be of great value to the residents of East Kingston as it is a clearing house for anything to do with conservation and proper management of wetland and forest land. The commission has a number of informative pamphlets dealing with a wide variety of conservation related subjects which are available to the residents of the town. The commission is also in a position to assist the towns people in any conservation related projects they may wish to undertake. We can put you in touch with the right people or agencies in town, county, or state government that can best assist you in your projects.

The conservation commission is very interested in acquiring land within the town to be conserved as wetland or forest land for the future. Please contact any member of the commission for more information on this subject.

The East Kingston Conservation Commission invites the residents of the town to attend our monthly meetings. We are here to serve you in your conservation needs and we need your ideas and thoughts to best accomplish this end.

REPORT OF EAST KINGSTON TAX MAP COMMITTEE

Avis Air Map, Inc. was chosen from six competitive bidders to carry out the job of tax mapping the town of East Kingston for a sum of $11,000.00. The Town will pay for the mapping out of Revenue Sharing Funds that were voted for and passed at Town Meetings.

Progress thus far has resulted in aerial photographs being flown in April of 1975. Colored photogeometric maps which are precision graphed and compiled from the aerial photos are finished.

Avis is now working on Town tax records, compiling information to be used in conjunction with the final maps. The tax maps are required by state law and every town must comply by 1980, at the time of this report the project is 50% complete.

There will be displays of the aerial photos at Town Meeting.

REPORT OF TOWN ROAD AGENT

The beginning of 1975 brought a rather mild winter to this town, thus winter maintenance also included clearing a lot of brush and trees from our roadsides. Summer maintenance followed with the purchase and placement of street name signs. Holes and cracks in our roads were also patched.

Clements Lane, Freeman Street, and parts of Sanborn and Giles Roads were sealed with asphalt. The roadsides were mowed to help control the growth of large bushes and trees. Culverts and ditches had to be maintained along with the repair or replacement of signs.

Along with general maintenance, rebuilding the gravel portion of Sanborn Road was done this past summer. All the trees, brush, and stumps between stone walls had to be grubbed out and hauled away. A large amount of solid fill was donated by Dan Bodwell for a road base. Then one to three feet of gravel was hauled in and graded off. Culverts were then added to cure a possible drainage problem. Some shoulder work was also done at this time on a short portion of Willow Road. This project was financed by the balance remaining in the accelerated program of T.R.A. State appropriations.

The year 1975 closed out with heavy snow for this area. The removal of this snow and sanding the roads closed out the 1975 budget for road maintenance.

SELECTMEN'S REPORT ON MOSQUITO CONTROL

Board members attended a series of meetings on mosquito control held by the Extension Service in Brentwood. The following is a summary of the information gathered:

The boundary of a mosquito district shall be the boundaries of the Town, so each Town will be a district in itself. The availability of State or Federal Funds to help in this project are non-existent at this time.

It was stressed throughout the meeting that the most effective way of mosquito abatement was for a Town to first conduct a breeding site survey, That is to identify mosquito species and to map breeding areas. It was suggested that the best way to conduct such a survey would be to hire Entomology students from the University of New Hampshire.

After the survey is completed, the next step would be to eliminate areas of stagnant waters, if feasible, or the application of chemicals to larval breeding areas. It was pointed out that the least effective way of mosquito control was the spraying of the adult mosquito.

You will note that there is an article in the Warrant for Five Hundred Dollars. This amount is intended for a survey only.

We ask that you give this matter serious consideration.

EAST KINGSTON SCHOOL DISTRICT MEETING

The annual meeting of the East Kingston School District was called to order by moderator Robert Donovan at 7:30 p.m. on March 11, 1975 in the Town Hall. The moderator stated that the school warrant had been posted according to law and that he would entertain a motion to waive its reading in its entirety at this time. It was moved, seconded and voted waive reading the entire warrant at this time since each article would be read prior to acting upon it.

Article I. To choose a moderator for the ensuing year. Since no one had filed for the office, it was moved, seconded and voted that the clerk cast one ballot for Robert Donovan. When this had been done he was declared elected.

Article II. To choose a clerk for the ensuing year. No one having filed for this office, it was moved, seconded, and voted that the moderator cast one ballot for Richard Kelley. When this had been done he was declared elected.

Article III. To choose a member of the school board for the ensuing three years. The moderator stated that Eva L. Smith was the only person who had filed. It was moved, seconded and voted that the clerk cast one ballot for Eva L. Smith. When this one ballot had been cast, the moderator declared her elected.

Article IV. To choose a treasurer for the ensuing year. Since no one had filed for treasurer, it was moved, seconded and voted that the clerk cast one ballot for Mrs. Catherine Gallagher. When this ballot had been cast she was declared elected.

Article V. To choose two auditors. The moderator stated that Virginia Corton and Mary Kelley were the only ones who had filed. It was moved, seconded, and voted that the clerk cast one ballot for each of them.

Article VI. To see if the district will vote to authorize the employment of an assistant Superintendent for the schools of Supervisory Union #16, as provided in RSA 186:11, XXII and XXIII, effective July 1, 1975, and to raise

and appropriate the sum of $1331.00 as East Kingston's share of the salary, travel, retirement, FICA, health insurance, clerical assistance and office equipment.

School Board member Eva Smith stated that this article had no application now since other districts in the Union had turned it down. She then made a motion to pass it over, which was seconded and upheld by vote.

Article VII. To see if the School District of East Kingston will vote to adopt a plan for extending to employees of the School District the benefits of Title II of the Federal Social Security Act (Old Age and Survivors' Insurance) as authorized by RSA Chapter 101 as amemded by chapters 201 and 332 of the Laws of 1955, such plan to become effective July 1, 1975.

It was moved and seconded to adopt such a plan. Business administrator Daniel Durgin explained what was involved and estimated the cost to be about $392.00 for the first year. The motion was voted favorably.

Article VIII. To see if the School District of East Kingston wishes to exclude from the plan services in any class or classes of positions filled by popular election. It was moved, seconded and voted favorably.

Article IX. To see if the School District of East Kingston wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis. It was moved, seconded and voted favorably.

Article X. To see if the School District of East Kingston wishes to exclude from the plan service in any class or classes of positions of election officials or election workers for a calendar quarter in which the remuneration for each service is less than fifty dollars. It was moved, seconded, and voted favorably.

Article XI. To see if the School District of East Kingston will authorize the School Board to execute on behalf of the School District the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the School District will designate the Superintendent of Schools of Supervisory Union #16 as the officer to be responsible for the administration of the

plan. The article was moved, seconded and voted affirmatively.

Article XII. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries of school district officials and agents and for the statutory obligations of the district.

It was moved, seconded, and voted that the School District raise and appropriate for the support of schools, for the payment of the salaries of school district officials and agents and for the payment of the statutory obligations of the district the sum of $270,039.00 and that there be applied against said appropriation such sums as are estimated revenues and that the School Board be authorized to certify to the Selectmen the balance between the estimated income and the appropriation as an assessment to be raised by the town by taxes.

Article XIII. To hear the reports of agents, auditors, and committees or officers heretofore chosen and to pass any vote relating thereto.

Eva Smith reported for the committee appointed under Article XII of the 1974 school warrant to study the feasibility of conducting our own transitional class. It was moved, seconded, and voted that the report be accepted and placed on record.

It was moved, seconded, and voted to accept the auditors' report.

Article XIV. To transact any other business that may come before this meeting.

It was moved, seconded and voted that the clerk send a written note of thanks to the PTA for their assistance during the past year.

It was moved, seconded and voted that the moderator appoint a committee of five to study the quality of teaching in Supervisory Union #16 and report back at the next annual School District Meeting. The discussion in support of this motion indicated that the citizens of East Kingston need a better understanding of the kind of education that their children are getting.

It was moved, seconded, and voted that this meeting

go on record urging the School Board, when establishing the school calendar, to consider scheduling vacations during the off-holiday weeks.

Mrs. Bruce Levis suggested that the School Board send a card of sympathy to the family of Eleanor Henry, former supervisor of music for many years.

It was moved, seconded and voted to adjourn at 9:00 p.m.

Respectfully submitted,
Richard G. Kelley, Clerk

REPORT OF SUPERINTENDENT OF SCHOOLS
Frederick B. King

Once again it is my pleasure to reflect on some important matters relating to the education of the East Kingston children.

Reading continues as a top priority, along with English and writing skills. Recently a new guide prepared by a Language Arts Committee consisting of staff members throughout the union was released to teachers. It is the hope that direction within the guide as to what skills are to be taught and various levels will improve our program. Sally Bowen from the East Kingston staff worked hard and helped prepare this document. This guide along with our reading "level sheets" should provide the basis for a solid foundation at the elementary level in reading, writing, spelling and general English skills.

The "new math" remains fundamentally sound, although the impact hasn't lived up to expectations. Computational skills and general math for use in our world will continue to receive increased emphasis. A revision of math skills was recently completed. Joan Vachon, grade 4 teacher served with this group.

Another committee has been working to come up with a new social studies program. With the ever changing world this becomes difficult. Jeff Quinn, the building principal, is associated with this committee and they will continue to work throughout the school year.

The pendulum seems to be swinging back, as it has a way of doing. Appropriately along with basic education is a renewed interest in stressing good character building as a part of values and humanizing education. I feel the school has responsibility for being a part of the programs to train our children to examine values more carefully.

The maintenance of normal and responsible discipline as a routine, every day basis is still a major focus of this administration. Competent teaching, even handed and intelligent administration along with thoughtfully formulated policies and regulations at the East Kingston

School are the corner stones of success to bringing about reasonable student conduct. Basically most students are well behaved and follow acceptable rules of our society in their daily school conduct.

Jeff Quinn reports the following "During the past year there have been some changes in the staff at the East Kingston Elementary School. Replacing Miss Mary Hogan in the third grade is Mr. James McMahon. Mr. McMahon brings with him many new ideas and he is developing as a fine teacher.

Mrs. Louise Carter, who now provides music instruction for the East Kingston children, is a professional in her field. We are certainly fortunate to have a person of her experience and capability training our children in music.

Finally, Mrs. Jeanne McManus has become East Kingston's full time teacher aide. Mrs. McManus works under the guidance of Mrs. Elaine McNulty, who coordinates the Title I "Project Assist" program in which East Kingston takes part. With the hard work that is done by Mrs. McManus, many students are achieving the success they need.

Through the generosity of the East Kingston community, as predicted, the reading program is in full implementation this year. Together with the continuous progress approach and the provided materials many of our achievement goals are being met.

Continuing this year are the comprehensive Language Arts Centers which provide for our children greater continuity in their language experience. All areas of language; reading, writing, speaking, and listening are brought into full focus; since they are presented to the children at their own reading level.

The levels concept is being furthered in the area of mathematics as we attempt to individualize student progress. Children move through their mathematics program at their own rate on a series of instructional levels. Certain skills must be mastered as each of the children advance.

Through the continued efforts of Mrs. Jane Bowley

the library facility at the school is growing. New shelving has been placed in the library to provide for further growth. Our children are able to now use the library as part of their language program. Proper use of the library may also be taught. This is another example that coupled with federal funds, the generosity of the community can provide many valuable experiences for its children. Progress in other curriculum areas of social studies, science, art and physical education is being made. They are part of each student's weekly program and we consider each important to every child's development.

The staff has high ideals of responsibility and academic growth and we attempt to develop these in each child. We seek to continually improve their education and as wo look to the future we have great hopes and desires for the growth of the children into responsible intelligent young men and women. With these thoughts we look forward to another successful year."

In conclusion, as Superintendent of Schools, I would like to thank the principal and staff for their cooperation and dedicated service to the East Kingston youth. I have also been pleased to work with the excellent East Kingston School Board, whom I truly believe have the best interest of the school and town at heart. I look forward to future years of association with them as we plan together to provide a quality education at a reasonable cost.

REPORT OF THE BUSINESS ADMINISTRATOR
Daniel C. Durgin

March is a critically important month because it is during the month of March when most of New Hampshires school districts hold their annual town and school meetings. Decisions reached at these meetings often have far reaching implications and decisions of a financial nature always have a direct impact on property taxes.

Speaking specifically of the School District Meeting, perhaps the most important question before the voters each year involves the school budget for the succeeding year. I fear that many people view the budget as a financial document that is only indirectly related to the education of the district's children. Nothing could be further from the truth. The School Budget, if properly formulated, should represent the educational plan of the School District translated into dollars. The budgeting procedure in all districts of Supervisory Union #16 is designed with this in mind.

Rather than simply building on the previous year's budget, our process involves what is becoming popularly known as "zero budgeting." This new concept has been the basis for our budgeting process for many years. It requires fresh thinking and careful planning by all staff members and discourages the practice of building on the previous years budget merely because "we have been."

The budgeting process begins in September at the teaching staff level. Budget requests are entered on special forms designed for the purpose and are submitted up through the normal administrative channels where they are screened at each level. All non-routine requests require written justification outlining such considerations as need for the item or items being requested and what is hoped to be achieved by their purchase. Requests for new programs and/or additional staff are also submitted on special forms which ask for complete justification and require evaluation of the cost versus the educational benefit.

After all educational requests have been carefully reviewed at all levels concluding with the S.U. #16 Central Office administration, the budget forms are turned over to the Business Administrator for inclusion in the first draft of the proposed budget. The Business Administrator is responsible for drafting the final budget which will include many other costs such as salaries and related expenses (fringe benefits, Social Security, Retirement), insurance, transportation, tuition, utilities and payments on any outstanding debt.

The completed draft of the budget is then presented to the School Board for review, modifications and approval before being presented to the voters for finalization. In some districts, budget committees also play a significant role in the process replacing the School Board as final authority before presentation to the voters.

Although not required by law, each school district in S.U. #16 holds at least one public hearing on the budget prior to district meeting. This gives the citizens of the district the opportunity to hear the budget explained in detail and to ask questions and offer comments relative to the proposed budget.

Frequently the attendance at these hearings and even the district meetings is poor. These are your meetings and you have a major role to play. Please make every effort to take part in this most important process.

EAST KINGSTON SCHOOL BOARD REPORT

With the start of the school year, all the staff returned except the third grade teacher. We welcome James McMahon to our school as the new third grade teacher. Also this year we have a new Music Teacher, Louise Carter, who will be with us once a week. We are looking forward to some fine music programs. Kathy McLaughlin is the Science and P.E. Teacher and also a relief teacher for Mr. Quinn. Mr. Quinn makes good use of this time with supervision of teachers, and administrative duties. Jean McManus, the new teacher-aide, works with both schools assisting at Brown's Academy with children who were found to need extra help due to lack of maturity, and at the new school with children who need extra help.

The school population this year is 140 students at the East Kingston schools, and 120 at the Jr. and Sr. High Schools. It appears the last of the small classes will be leaving this year.

The school costs at the Elementary level are very reasonable and can be maintained. However, the students at the Jr. and Sr. High Schools have increased as has the tuition costs; and this figure can not be controlled by the local board.

Respectfully submitted,

Wilma A. Young, Chairman
EAST KINGSTON SCHOOL BOARD

REPORT OF THE SCHOOL NURSE

During the past year routine health screening measures have been carried out on all students in addition to special testing as requested by the staff. I have provided classroom instruction in areas of hygiene, safety, nutrition, family life and First Aid at appropriate grade levels, and continue to work as a resource person for teacher-originated health units. I have tried to meet individual health needs of students by providing health counseling when appropriate and acting as a liason between the school and outside diagnostic facilities whenever necessary.

Once again our school will be fortunate to be able to participate in the state sponsored dental program.

I have continued to take courses and attend a workshop to fulfill requirements for school nurse certification.

I would like to express my thanks to the volunteers who have helped with the School Health Program. I would also like to express my appreciation to the School Board, Superintendent of Schools, Principal, Mr. Jeffrey Quinn, members of the Staff and Dr. John Tuthill, school pediatrician, for their continued help and support.

Respectfully submitted,
Vinie Scamman, R.N.
School Nurse
